

SCARLET
SPLENDOUR

ELATION

In the 16th century, English seamen voyaging to Canada stumbled upon gold—or so they thought. It filled the men's hearts with intense momentary delight. Scarlet Splendour presents its new collection of tables—inspired by that same rush of excitement. Its rich texture and colour combine traditional techniques in pure brass with contemporary amorphous sculpting.

Each piece in the Fools' Gold collection exalts the handmade, the painstakingly crafted, the authentic. A piece may have slight variations and tiny imperfections but these are the marks of an artisan, a testament to the individuality of each work of art. It is our belief that these variations infuse our objets d'art with desire and we assert our right to make necessary qualitative changes.
