NESSO DINING TABLE
BEIGE

Geometry is truly fascinating—unexpected forms from Matteo Cibic, transgress the monotony of straight lines set in gold on a bed of pearl and lacquered brass in stylish, chic hues.

Nesso Dining Table Beige is luxurious in a pearly resin, brass inlay top and brass legs. *Custom sizes are available on request.*

Each piece in the Nesso collection exalts the handmade, the painstakingly crafted, the authentic. A piece may have slight variations and tiny imperfections but these are the marks of an artisan, a testament to the individuality of each work of art. It is our belief that these variations infuse our objets d'art with desire and we assert our right to make necessary qualitative changes.
